

Disclaimer, Warranty, and Limitation of Liabilities

Talk to Me, Baby! is an online resource containing information about speech-language pathology. While the creators have worked diligently to ensure the accuracy of information, it is not peer reviewed.

The content provided by the creators is for information and education purposes only and is in no way intended to be a substitute for medical consultation with a qualified professional. The information contained in this course should not be used to diagnose or treat a medical condition. The creators cannot guarantee nor take responsibility for the medical accuracy of the content of Talk to Me, Baby!, nor guarantee any specific outcomes for parent or child using the information provided in this course. The strategies found within this course may not be suitable for every family or in every situation.

The creators are not responsible for any direct loss, injury, claim, liability or damage related to your learning from Talk to Me, Baby!, including from errors or omissions in the content.

The creators do not have any sponsorships or endorsements.

The entirety of our online course, Talk to Me, Baby!, is the intellectual property of Jade Fisette and Jennifer Oomah at Sandbox Speech Therapy. Access to our course is for single use only and should not be duplicated or shared in parts or in whole with anyone who has not registered. Thank you for supporting our small business!
